The IEEE Xplore contains two typos I spotted after publication:

- Page 1792, Section V, Algorithm 1, lines 13 and 14: the term $\hat{\mathbf{y}}_{\hat{J}}(\kappa)$ should be replaced by $\bar{\mathbf{y}}_{\hat{J}}(\kappa)$;
- Page 1792, Section V, first paragraph after eq. (68): $\mathbf{\Phi}_{\hat{\mathrm{N}}\hat{\mathrm{N}}}(\kappa)$ should be replaced by $\mathbf{\Phi}_{\hat{\mathrm{N}}\hat{\mathrm{N}},\mathrm{p}}(\kappa)$
