Hi,

Quick reminder for the doodle. Please fill in if not done yet. So far the first week of May has the highest number of votes. Please keep in mind that on Thursday that week 5.5.2016 is a holiday. I personally don't have a problem with that, so the workshop will be open . I'd like to finalize the decision by tonight, so Matt can start the visa process. If anyone that needs to be there has a problem with that week please speak up today!

Mit freundlichen Grüßen / Best regards
